

# Housing 2017

Dr. Paul Isely

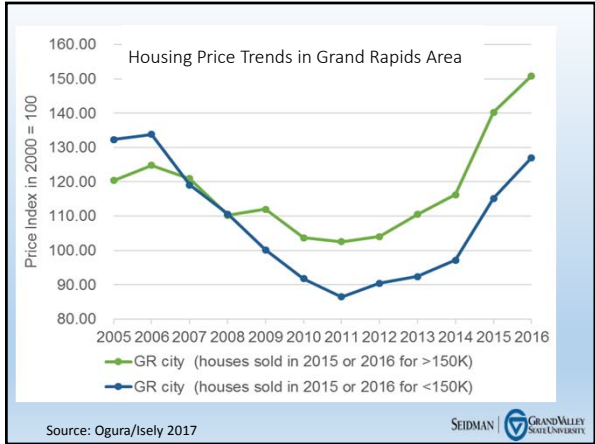

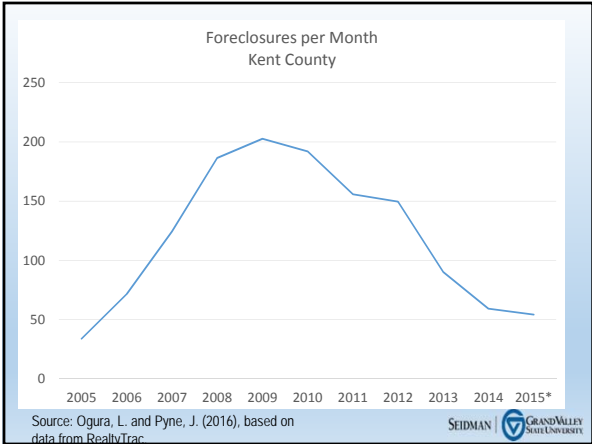

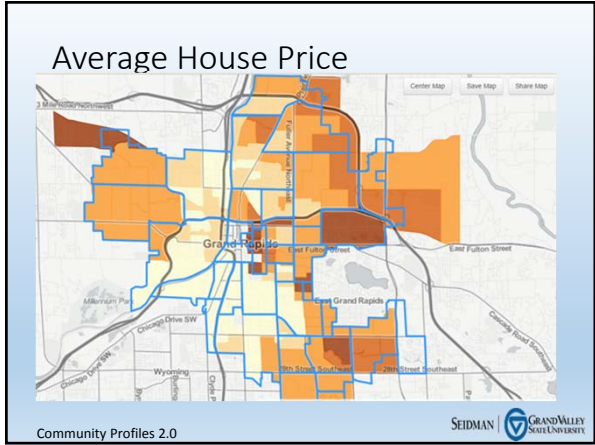

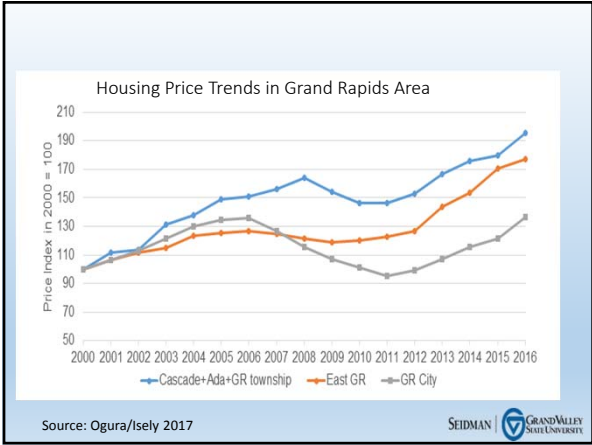

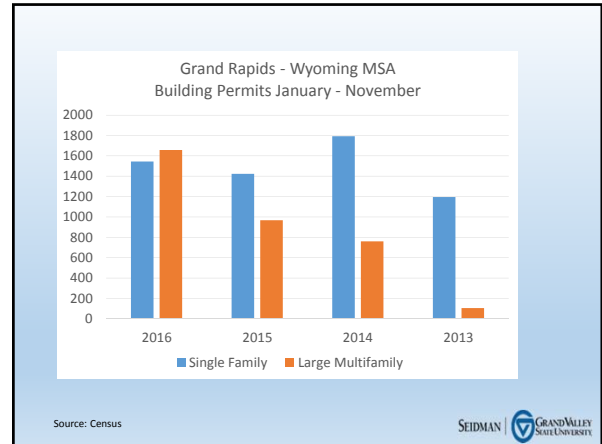

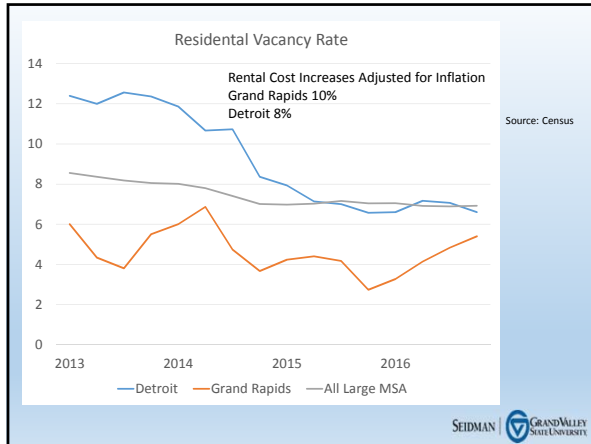

## Housing

What's up with all the building?

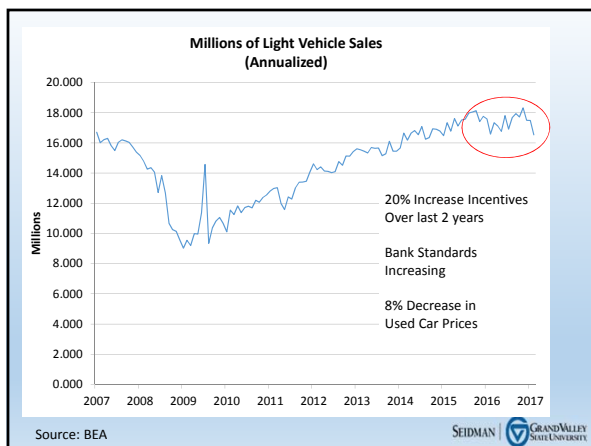

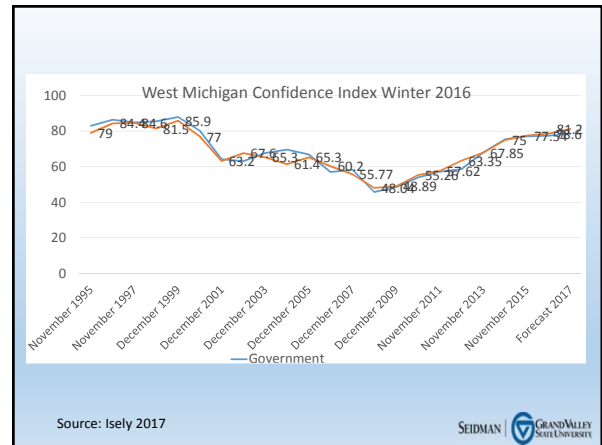

SEIDMAN | GRAND VALLEY STATE UNIVERSITY

Looking Forward to  
2017  
KOMA

What if fewer cars sold

- 9.3% of Michigan Output Light Vehicles
- 20% of Michigan Output Directly, Indirectly, or Induced by Automotive
- A 10% decrease in sales results in a 2% decrease in Michigan Output overall or around 60,000 jobs
