

# Sexual harassment by a landlord is housing discrimination.

*I really wish my landlord would stop telling me how pretty I am and not to be so uptight!*

**I am so scared that I will be evicted if I keep resisting my manager's advances.**

**I just want my bathroom repaired without being asked out. Who will believe me?**

I FEEL SO VIOLATED AND NOT SAFE IN MY HOME ANYMORE.

**You have the right to be safe in your home. You are not alone.  
You can report discrimination anonymously.
